1. ***Duplicate Stitch*** - June 28, 11-12 Noon. Learn how to stitch a design or name onto your knitting without having to mess with separate balls of yarn or intarsia knitting.
2. ***Continental knitting*** - July 12, 11-12 Noon. Learn this style knitting to improve your speed & cause less hand strain.
3. ***Knitting in the round*** - July 19, 11-12 Noon. Learn how to join without twisting, how to make stripes without those annoying jogs and how to convert sweater patterns into the round without seaming.

TUESDAY - Mini Classes \$10.

Note: they fill quickly & are on a first come first serve basis. Please call ahead to register, 617-698-1190.

1. ***Short Rows*** - June 29, 1:30-2:30 pm. Practice short row shaping knitwise & purlwise on swatches. We are seeing a lot of patterns that use short rows (scarf & shawl patterns, sweaters & socks). This is definitely a need-to-know technique!
2. ***Gauge*** - July 6, 1:30-2:30 pm. Work a sample gauge & learn how to adjust your knitting gauge to meet your pattern gauge. Learn how to interchange yarns & convert meters to yards.
3. ***Blocking*** - July 13, 1:30-2:30 pm. The absolute last step! All of your hand knitted items should be blocked...for perfection! It's quick 'n easy. Learn steaming v. wet blocking. Get inside our head on blocking!
4. ***Kitchner Stich & provisional cast on*** - July 20, 1:30-2:30 pm. Learn the how and the why of these two techniques.
5. ***Color knitting*** - July 27, 1:30-2:30 pm. Learn Intarsia and color stranding techniques. Practice on swatches.
